

Make a Splash!

Project WET TEACHER'S WORKSHOP

November 1st and 8th, 2017, 4:00 pm - 7:00 pm

Lake Erie Nature and Science Center
28728 Wolf Rd, Bay Village, OH 44140

Project WET is a **tested innovative curriculum**, teaching water resource principles that are **correlated to the Ohio Academic Standards**.

Discover how to use a **water festival** format to cover important stormwater related topics with students (K-12) with special emphasis on the Northeast Ohio Regional Sewer District (NEORS) target topics outlined in their Stormwater Fee Education Credit at <https://www.neorsd.org/educationcredits>.

Written for learners of all ages, the activities are **easy to use and fun!**

Learn about **free teacher resources** available through Cuyahoga Soil & Water Conservation District.

Workshop Leaders:

Darci Sanders and Angela Yeager, Lake Erie Nature and Science Center
Jacki Zevenbergen and Amy Roskilly, Cuyahoga Soil & Water Conservation District

Fee: \$25- includes instruction, materials, and Project WET 2.0 K-12 Curriculum Guide
Early Bird Special—1st (15) registrations will be \$15

Be prepared for chances to win AWESOME DOOR PRIZES such as posters, books, additional activity guides, stormwater reference materials and activity materials.

To register or for more information: Contact Jacki Zevenbergen at 216/524-6580, ext. 1006, jzevenbergen@cuyahogaswcd.org or register online at www.cuyahogaswcd.org

Keeping our Great Lake great.
