

OHIO POLLINATOR OASIS

seed packet

Bring back the pollinators with a mix especially designed for Ohio, Indiana, Western Pennsylvania and Western New York. Mostly Wildflowers, this mix is designed to give pollinators a place to stop all season long and are regionally adapted and open pollinated. We've partnered with The Xerces Society and this neonicotinoid and pesticide free mix has their seal of approval.

Grasses and Grasslike	
Little Bluestem	<i>Schizachyrium scoparium</i>
Nodding Wild Rye	<i>Elymus canadensis</i>
Side-oats Grama	<i>Bouteloua curtipendula</i>
Wildflowers	
Purple Coneflower	<i>Echinacea purpurea</i>
Common Milkweed	<i>Asclepias syriaca</i>
Sampson's Snakeroot	<i>Orbexilum pedunculatum</i>
Ohio Spiderwort	<i>Tradescantia ohiensis</i>
Golden Alexanders	<i>Zizia aurea</i>
Indian Blanket	<i>Gaillardia pulchella</i>
Lanceleaf Coreopsis	<i>Coreopsis lanceolata</i>
Purple Prairie Clover	<i>Dalea purpurea</i>
Dense Blazingstar	<i>Liatris spicata</i>
Lemon Mint	<i>Monarda citriodora</i>
Wild Bergamot	<i>Monarda fistulosa</i>
Tall Coreopsis	<i>Coreopsis tripteris</i>
Butterfly Weed	<i>Asclepias tuberosa</i>
Prairie Dock	<i>Silphium terebinthinaceum</i>
Tall Ironweed	<i>Vernonia altissima</i>
White Prairie Clover	<i>Dalea candida</i>
White Wild Indigo	<i>Baptisia alba</i>
Grey-Headed Coneflower	<i>Ratibida pinnata</i>
Foxglove Beardtongue	<i>Penstemon digitalis</i>
Black-eyed Susan	<i>Rudbeckia hirta</i>
Stiff Goldenrod	<i>Solidago rigida</i>
Smooth Aster	<i>Aster laevis</i>
New England Aster	<i>Aster novae-angliae</i>

Seed packets contain 1 PLS (Pure Live Seed) oz. of seed which is enough to cover 250 square feet. This mix of native grasses and wildflowers typically grows to a height of 3 to 5 feet. Please note that each site is unique and that several factors can affect overall height. These factors include sunlight, hydrology and overall soil health.

The native perennials in your mix do require some patience to establish, but for instant gratification, consider adding some quick establishing annuals.
