

# PROJECT BASED LEARNING PROJECT WILD &

# PROJECT LEARNING TREE

Educators are invited to join us for a 3-day workshop exploring multi-disciplinary K-12 lesson plans, local education programs, resources and project ideas. Learn how you can use correlated environmental education curricula and resources (including funding avenues) to re-energize your students and improve learning outcomes.

## Workshop includes:

- Educator tours of:

- Westerly Wastewater Treatment Plant
- Cleveland Museum of Natural History
- Cleveland Botanical Gardens
- Lake Erie Nature and Science Center

- Bus tour of school learning labs in Cuyahoga County
- Service learning session
