Wildlife Traveling Trunks

The traveling trunk program is funded by the sales of hunting and fishing licenses, Wildlife Legacy Stamps, cardinal license plates, and by contributions to the Wildlife Diversity Fund.

Bring an exciting educational tool into the classroom which will help students build skills in Language Arts, Science, and Social Studies while learning about Ohio's native wildlife. Scout leaders, naturalists, and home-school educators will find this tool useful too!

Each trunk contains various items that serve as visual aids and offer hands-on learning. Books, posters, and DVDs may be included as well.

- Bat
- Bird
- Insect
- Life Cycle
- Mammal
- Pond study
- Reptile & Amphibian
